

Ask the Authors, Part III

Q: Super Smash Bros? Invader Zim? Are you even pretending to be interested in Star Wars anymore?

Andrew: Just be glad I didn't go with any of my other fanfic ideas. You could just as easily be reading a stupid Sonic parody/fanfic instead of a stupid Smash Bros one.

Ryan: Why would you even do that?

Andrew: I'm an *idiot*, that's why! Haven't I made that clear by now?

Q: What happened to Palpatine's Evil Council of Doom?

Andrew: Oh, that's right, I was planning on writing an ending to that.

Ryan: It's not really a concept that lends itself to an ending.

Andrew: Did you think even for a second that facts would stop me?

Q: Why are you writing something serious? I thought this was a parody site!

Andrew: And you'll notice that the serious story isn't posted on the site. Yet.

Ryan: What's that supposed to mean?

Andrew: Next question!

Q: Are you going to write a KOTOR parody?

Ryan: Must... stop playing... KOTOR...

Q: Your song "parodies" are an insult to music!

Andrew: Your inability to put that in the form of a question is an insult to this Q&A.

Q: You're a bad writer and you should feel bad.

Ryan: You better watch out or Andrew will sic his MetalMan army on you.

Andrew: [It's true.](#)

Q: What?

Andrew: Polo!

Ryan: That's only if they say "Marco."

Andrew: Polo!

Q: Are you ever going to parody Legacy of the Force?

Andrew: As soon as it stops hurting.

Ryan: Give it a few years. By that time the bad memories of LotF will have been replaced by outrage at Fate of the Jedi.

Andrew: Also, the proper name is "Legacy of teh Fett."

Q: Do you really hate Karen Traviss?

Ryan: You mean there are people who don't?

Andrew: Thufferin' thucotasche!

Q: How many people visit your site in a week?

Andrew: Counting us?

Q: Can I send you something I wrote?

Ryan: Sure.

Andrew: That depends. Can we take credit?

Ryan: Seriously, though, guest material is welcome.

Andrew: Unless it sucks. No, wait, *especially* if it sucks. That way our stuff will look better in comparison.

Q: What's your favorite Star Wars book?

Extremely long pause.

Ryan: Well?

Andrew: Oh, I didn't see that question. I was too busy building a shrine to the collected works of Timothy Zahn and Matthew Stover.

Ryan: There you have it.

Q: What would you do if you had Force powers?

Andrew: Pick up chicks.

Ryan: Way to aim high.

Andrew: Déjà vu!
